## EVENT SUMMARY

CCE Publishing was conducted to compile, verify, and publish Continuous and Comprehensive Evaluation (CCE) records of students. The process ensured accurate documentation of academic performance, internal assessments, and overall student progress. The examination department coordinated efficiently with teachers to complete the publishing process in a timely and systematic manner, ensuring transparency and academic accountability.

## SUGGESTIONS & RECOMMENDATIONS

Implement digital tools for faster and error-free data entry. Provide clear deadlines and guidelines to staff in advance.
