## PARTICIPANTS

Selected students (award recipients) Library committee members and teaching staff

## EVENT SUMMARY

The Best Reader Award was organized to recognize and encourage regular reading habits among students. Selected students were honored based on their consistent use of library resources, reading records, and academic interest. The programme motivated students to develop a love for reading, improved library engagement, and promoted a culture of knowledge and self-learning within the institution.

## SUGGESTIONS & RECOMMENDATIONS

Introduce category-wise awards for different classes or levels. Publicize selection criteria to increase student participation.
