Date:	2025-07-28
Department:	DFIA Library

PARTICIPANTS

DFIA Students, Library Committee Members, Faculty Representatives

EVENT SUMMARY

As part of the monthly programme, the Best Reader Award was conducted on 28 July 2025 by the DFIA Library. The objective of the programme was to promote regular reading habits and effective use of library resources among students. Eligible students were shortlisted based on library usage, reading records, and participation. The final selection was made by a committee through a last-round viva, assessing reading comprehension, knowledge, and interest in books. The programme encouraged healthy reading culture and academic excellence among students.
