

# ACADEMIC EVENT REPORT

<b>Event ID:</b>	3
<b>Event Title:</b>	Darul Huda Admission Test (DAT)
<b>Date:</b>	2025-04-07
<b>Department:</b>	DFIA OAA

## PARTICIPANTS

Prospective students aged above 11 years and below 12 years who applied for admission participated in the entrance examination. Faculty members and examination coordinators supervised the test.

## EVENT SUMMARY

The Darul Huda Admission Test (DAT) was conducted to assess the academic aptitude and basic knowledge of candidates seeking admission. The examination was held in an organized and disciplined manner, ensuring fairness and transparency. The test enabled the department to identify eligible and deserving candidates for admission to the institution.

## SUGGESTIONS & RECOMMENDATIONS

In future, the admission process can be strengthened by providing clearer instructions to candidates in advance, improving seating and time management arrangements, and incorporating a brief orientation session for parents and applicants.
