EVENT SUMMARY

The Best Reader Award program was conducted on 26 May 2025 under the DFIA Cordoba Library initiative. A student was selected as the Best Reader of the month based on reading performance, consistency, and comprehension. The selection process included a viva round conducted by the library committee to evaluate the student's reading habits, understanding, and engagement with library resources. The program encouraged a strong reading culture and academic excellence among students.

SUGGESTIONS & RECOMMENDATIONS

Maintain monthly reading records to support transparent evaluation
