## PARTICIPANTS

Faculty mentors Student mentees (club-wise groups)

## EVENT SUMMARY

Mentor-Mentee Day was organized on 28 May 2025 as a grand gathering at the ground, arranged club-wise. The program provided an open platform for mentors and mentees to engage in free and open-minded discussions. Students were encouraged to share their thoughts, concerns, and aspirations, which helped strengthen trust, guidance, and attachment between mentors and mentees. The interaction promoted mutual understanding and supportive mentoring relationships.

## SUGGESTIONS & RECOMMENDATIONS

Continue conducting the program on a monthly basis
